

Clients and Partners,

After much anticipation, it is with great excitement that I announce the launch of the **CECENTRE**. The logo and brand reflect the 4 main exhibit halls of our facility which provide our clients a blank canvas for them to build their events. Being a blank canvas allows us to host a multitude of different events of varying sizes, scopes and configurations. Our slogan “Every event is better here” is the mantra by which we serve our clients and work with them to ensure their events are successful in our facility. It also emphasizes the importance we place on the relationships with our key service partners who execute and share our client focused vision for successful events.

Please follow us on [FACEBOOK](#) and [TWITTER](#) as we continue to market the facility and work towards opening in 250 days! Should you require copies of the logo for your marketing material, please let us know and we would be happy to forward high res copies and brand standard guidelines. Please also ensure you change the [WEBSITE](#) and facility information to properly reflect the change to the **CECENTRE**.

Stay tuned for more updates in the coming weeks as we announce our supplier list and new website.
